- (3) A 20% cash escrow; or
- (4) a 25% irrevocable letter of credit.

(c) *Construction solicitations.* For CIAP only and notwithstanding 24 CFR 85.36(g), a PHA shall comply with HUD requirements to either:

(1) Where the estimated contract amount exceeds the HUD-established threshold, submit a complete construction solicitation for prior HUD approval before issuance; or

(2) Where the estimated contract amount does not exceed the HUD-established threshold, certify receipt of the required architect's/engineer's certification that the construction documents accurately reflect HUD-approved work and meet the modernization and energy conservation standards and that the construction solicitation is complete and includes all mandatory items.

(d) *Contract awards.* (1) For CIAP only, a PHA shall obtain HUD approval of the proposed award of a contract if the contract work is inconsistent with the originally approved modernization program or the procurement meets the criteria set forth in 24 CFR 85.36(g)(2)(i) through (iv). In all other instances, a PHA shall make the award without HUD approval after the PHA has certified that:

(f) *Construction requirements.* Where indicated by poor performance, a PHA may be required to submit to HUD periodic progress reports and, for prior HUD approval, construction completion documents above a HUD-specified amount. For CGP only, a PHA is notified of additional construction requirements by a notice of deficiency or a corrective action order.

(g) *Reward for high performers.* For CIAP only, if a PHA is both an overall high performer and a modernization high performer under the Public Housing Management Assessment Program (PHMAP), HUD will not establish thresholds, and the PHA is not required to obtain prior HUD approval, under paragraphs (a), (c), and (e) of this section.
